

The Battle of Polytopia™ Online Multiplayer Update 1.10

PRESSRELEASE

Midjiwan launches an online multiplayer update for the mobile game The Battle of Polytopia. Available on iOS and Android around the globe on 15th February 2018.

The online multiplayer is the biggest update for The Battle of Polytopia, made by the Swedish indie game studio Midjiwan. It is by far the most requested feature from players. Midjiwan has listened and worked very closely with the fan community since the beginning of Polytopian time. So on February 15th 2018 players on both iOS and Android can connect and play online around the universe. Polytopians can finally unite!

THE POLYTOPIA MULTIPLAYER IS SOON OUT IN THE UNIVERSE!

...about The Battle of Polytopia

Thomas Newton, Contributing Editor [PC Mag UK](#) said:

"This iOS and Android turn based strategy game is damn near perfect... PC Mag UK's mobile game of the year 2017."

...about creator Felix af Ekenstam, Midjiwan

Heidi Harman, founder of [Geekgirl Meetup Global](#) and [Included.works](#) said:

"Felix is creative integrity, walking the talk."

ABOUT THE BATTLE OF POLYTOPIA

The Battle of Polytopia is a turn based strategic adventure. Released in 2016. It's a game about ruling the world, fighting evil AI tribes, discovering new lands and mastering new technologies. Multiplayer will allow friends around the globe to fight each other online. Auto generated maps make each game a new experience, with unlimited replay value. Since the release 2016 it has been featured several times on the Apple App Store and has received over 5 million downloads. It was given a [IMGA award for excellence in gameplay 2017](#) and a runner up place in the Google Play Indie Games Awards 2017.
